

GUEST IN PAJAMAS CHASES A ROBBER THROUGH HOTEL

Youth in White Trousers and
Twirling Cane Accused at
the Netherlands.

When Wesley A. Hill of Phoenix, Ariz., an airplane builder, woke up at 5 o'clock this morning in his room on the fifth floor of the Hotel Netherlands, 51th Avenue and 51st Street, he saw a man in the room wearing the garb of a robber.

The intruder fled as Hill jumped to get between him and the door. In pajamas Hill chased him down the corridor, but the thief was swift and he escaped.

After a short rest, after the hotel had been searched, Hill was standing in the lobby with Policeman Murtough when there stepped from the elevator a mild looking young man in a blue coat, white trousers and shoes, twirling a cane. The youth started toward the front door.

"That's the man," said Hill.

The hotel management then called another guest, H. A. Levy, who looked at the prisoner and said:

"You're the man that got \$45 from my pocket in my room last Sunday morning."

This was enough for the policeman. The prisoner said he was Charles Sheehan, 22 years old, No. 124 Fort

Street, Brooklyn. He had been registered at the hotel since Saturday.

Under his window was found a purse which Hill identified. Sheehan was arraigned in the Yorkville court and held in \$2,500 bail for examination next Tuesday.

Sheehan said his job was that of a "checker" on the docks.

TWO ROBBERIES REVEALED, BUT NOT BY THE POLICE

\$10,000 Worth of Silks Stolen From
Store at No. 439 Fourth Ave.

—Cigar Factory Robbed.

Two robberies, concealed by the police, came to light this morning.

Some time Monday night the store of the Shirley Silk Company, at No. 439 4th Avenue, was robbed of silks and satins worth \$10,000. The company has only occupied the store two weeks. En-

trances were effected through a rear window thirty feet from the ground. Police Headquarters was notified of the raid by Joseph Burger, president of the company.

Another robbery was reported from the factory of M. J. Lopez and Company, cigar makers. Thieves entered through the rear, pried open an iron shutter and then smashed the safe doors from which they took \$150 in cash and jewelry worth \$150. The robbery was reported to the East 87th Street Station.

INQUIRY ON RUSSIAN LOAN.

House Committee Takes Up Govern-

ment \$250,000,000 Credit.

WASHINGTON, June 26.—Inquiry into the financial relations between this Government and Russia was begun today by the House Committee on Expenditures in the State Department. The committee will seek to ascertain: The

status of loans made to Russia; whether interest has been paid, and if not, how much is due; what form of securities now are held by the Treasury, and what arrangements were made, when the loan was authorized, for final payment.

Russia was granted a credit of \$250,000,000 eighteen months ago. Of this \$145,000,000 was paid. When the Czar's Government was overthrown further payment stopped.

WINNIPEG STRIKE ENDS.

General Walk-Out Lasting Six Weeks

Is Over.

WINNIPEG, June 26.—Winnipeg's general strike of six weeks' duration ended at 11 A. M. today. Only the metal trades workers, whose dispute with the iron masters caused the sympathy walk-out, refused to return to work. It was believed they will be back in a few days.

Two hundred and fifteen members of the old police force returned and a majority of the telephone girls went back. Seventeen hundred street railway workers again manhandled the cars and power houses. Building trades workers resumed.

MEDICAL CORPS MAN SHOT.

Fellow Discredit Bigelman's Story

of Attack by Strangers.

Adam Bigelman, twenty-five years old, a private in the Medical Corps, attached to the Fox Hills Base Hospital on Staten Island, walked into the hospital early today with a wound in his left breast. He said he was walking on the railroad track near Grasmere when shot by a man sixty feet away.

The police say his uniform has powder burns, that two empty .38 cartridges were found in his pocket, and that his stories are contradictory. His condition is serious.

EXPRESS DELIVERIES STOP.

Westcott Co. Suspends New Business

But Cares for Business on Hand.

The walk-out of 100 wagonmen of the Westcott Express Company has resulted in a suspension of deliveries by that company, although, it was said, that the assistance of other express companies and taxi-cabs had prevented any congestion of the baggage already on hand.

Patrolmen are on guard at the headquarters of the company, Lexington Avenue and 42d Street, so far the strike has been conducted in an orderly manner.

Committee to Consider Nomination

of Ambassador to Peru.

WASHINGTON, June 26.—A sub-

committee headed by Senator Moses, Republican, New Hampshire, was appointed today by Chairman Lodge of the Foreign Relations Committee to consider the nomination of William E. Gonzales of Columbia, S. C. to be ambassador to Peru.
